

V ANNUAL CONFERENCE OF THE GEORGIAN MATHEMATICAL UNION

First Announcement

The Georgian Mathematical Union organizes the V Annual Conference on **September 8-12, 2014, in Batumi**, Black Sea resort of Georgia. For the information about the city see:

www.world66.com/europe/georgia/batumi

The Conference venue: Sh. Rustaveli State University (Batumi).

Topics of the Conference

- Algebra and Number Theory
- Logic of natural languages and computational linguistic
- Mathematical Education and History
- Mathematical Logic, Applied Logic and Programming
- Mathematical Modeling and Numerical Analysis
- Mathematical Physics
- Mechanics of Continua
- Ordinary and Partial Differential Equations and Applications
- Probability and Statistics, Financial Mathematics
- Real and Complex Analysis
- Topology and Applications

In the framework of the conference anniversary sessions will be held.

Sections

Participants wishing to organize sections are invited to send applications not later than **June 15, 2014**. To launch a new section there should be at least five speakers.

Conference fees

Ordinary participation	80 GEL (50 USD)
Young researchers (under 30)	40 GEL (25 USD)
Master and PhD Students	25 GEL (15 USD)

Organizers plan to apply for a financial support to different foundations in Georgia and, in case of success, will suggest travel support and/or free accommodations to certain groups of participants.

All participants, including organizers and invited speakers, will pay conference fee.

Registration and abstract submission

Visit, please, the registration page of the conference WEB-page www.gmu.ge/Batumi2014, register and submit the LaTeX-source and PDF files of abstracts before **July 1, 2014**.

LaTeX abstracts should be prepared in according standard template file and should not exceed 1 page.

We kindly ask you to follow the rules, indicated in the template file.

The abstract template file is downloadable from the conference WEB.

Until **July 15, 2014** you will be notified whether your contribution is included into the program.

Visa information

Visa affair is the easiest part of the travel. Citizens of many countries do not need an entrance visa for Georgia (citizens of EU countries, USA, Japan, Israel, Turkey, Canada, Armenia, Azerbaijan, Moldova, Ukraine, etc.). Citizens of some countries, including citizens of Russia, can obtain a visa while crossing the border of Georgia at official checkpoints, including all airports of Georgia.

Travel information

Batumi can be reached both from **Tbilisi** and from **Istanbul** by airplane (daily flights in summer), also from some other airports in Europe (see the conference WEB). You can also use the new **Kutaisi (Kopitnari) international airport (Code KUT)**. The Batumi airport is very close to the city. Batumi is about 350 km west from Tbilisi, about 6 hours by train, bus, or car and 150 km. from Kopitnari airport.

Accommodation

Information about hotel accommodation in Batumi can be found at the conference WEB page. If you need our help, you have to send us your choice and exact dates of arrival and departure days before **July 1** to the e-mail address gmu_conferences@gmu.ge or batumi.conference@yahoo.com. We will negotiate with hotel administrations and mail you the Invoice until **July 15**, which you should pay by a bank transfer prior **July 30** to the hotel administration or to Georgian Mathematical Union.

Social events

A wide range of social programs including city tours and visits to historical places will be available. Weather (and water!) in September in Batumi is warm and one can enjoy a “velvet season” there.

IMPORTANT DATES

- June 15, 2014:** Deadline for applications to organize a section
- July 1, 2014:** Deadline for abstract submission
- July 15, 2014:** Notification of abstract acceptance
- July 30, 2014:** Deadline for registration (conference fee and hotel reservation payments)
- September 8, 2014:** Opening of the conference at the Sh. Rustaveli State University (Batumi)
